December 2013

MERRY CHRISTMAS
EVERYONE!

Christmas Fair 2013

A **HUGE** thankyou to everyone who came along to our Christmas Fair. We had lots of stalls, including a cracker tombola, bottle tombola, cakes, sweets, a raffle, face painting, Portuguese treats and many, many more! We managed to raise approximately **£900** which is an **AMAZING** amount! The money that we make from events such as the Christmas fair directly benefits the children at Woodhall. We cannot hold these events without your support. Look out in the new year for more information about the Friends of Woodhall.

A special and heartfelt thankyou to the following people who helped to organise, decorate, label, buy, wrap and numerous other jobs. Without you, there would not have been a Christmas fair! **THANKYOU...**

And Santa, of course!

Congratulations, Choir!

Thanks to the dedication of the children and the hard work of Mrs. Marvally, this year our school choir has been more successful than ever! They performed alongside 400 other children and an orchestra at the annual Watford Schools' Colosseum Carol Concert. What an experience! Well done everyone. Nine children also went along to the Christina Noble Children's Foundation carol service in Earls Court, a prestigious event where they performed in front of many dignitaries. Thanks to Miss O'Donaghue for organising the evening!

See our event at www.cncf.org

Fire Plan Friday

We were very lucky this term to be invited to take part in Hertfordshire Fire and Rescue Service's 'Fireplan Friday' initiative. Firefighters from Watford's Red Watch came to Woodhall to teach the children about fire safety and launch a competition to design a fire plan for their own homes. The children were brilliant at remembering key safety points in the event of a fire...please come and see our display! We will also be featured in the 'Schools' section of the website: www.fireplanfriday.com

Congratulations to the competition winners...Grace, Ruby-Mae, Marty, Kyra, James, Fenella, Matthew, Dan, Lillie, Daniela and Jack.

P.E. Clubs

For the first time in many years and thanks to coaching from Miss Jones and Miss Walker, we were able to enter a team in the local netball league. The team played really well and gained good experiences ready for next year! Well done to Lewis, Joao, Joy, Elenora, Diona, Maddie and Rosie.
