## WOODHALL SCHOOL: AIMS AND ETHOS

- To provide a happy, safe, nurturing and caring environment and atmosphere for all.
- To provide a broad, balanced curriculum and an enriching programme of extra-curricular activities, events and visits.
- To promote a healthy, active lifestyle.
- To provide a safe, structured, stimulating learning environment in which we foster confidence, self- motivation, independence and a desire in each child to achieve their potential.
- To provide equality of opportunities for all regardless of ability, age, gender, creed or ethnic origin.
- To educate the whole child and encourage the acquisition of skills that will prepare them to live in a diverse society by challenging and extending children's thinking, knowledge and skills.
- To provide opportunities for the social, emotional, spiritual, moral and physical development of each child.
- To create and be open to appropriate opportunities for partnership working and for the effective involvement of all members of the school, parents, outside agencies and the wider community.
- To foster caring relationships and develop positive attitudes between children, their peers and the adults with whom they come into contact.
- To promote respect for property and the environment and to actively promote tolerance of all faiths and the social inclusion of all peoples.
- To facilitate the professional development of staff and governors via collaboration and in-service training.
