

# WOOHALL PRIMARY SCHOOL

## OUR CORE VALUES

### PASSION

*We will help all of you to explore and develop your interests and passions. We will give you a love of learning, and excitement about your next steps; so that you want to keep learning both in and out of school, both now and in your future!*

### RESILIENCE

*We will help you to develop the skills to take care of your own social, emotional and mental well-being, as well as the confidence to talk openly and express your feelings and opinions. As a school, we will help you to become strong, confident children who have the courage to seek help when needed; and who understand that mistakes help us to learn and develop.*

### RESPONSIBILITY

*We will help and encourage you to take ownership of your own learning journey and to develop the skill of independence; to understand that you play an important part in shaping your own future and that you are responsible for your own actions, behaviour and the impact that you have upon others. We will help you to understand and take pride in your individual and team responsibilities in order to make positive contributions to the school community.*

### INCLUSIVITY

*All of you will feel included, respected, valued and will be encouraged to achieve, regardless of barriers that you may face. Equally, all children at Woodhall will make sure that others may enjoy the same experience and offer support whenever they can. Woodhall will be a place where everyone is included, where there are no outsiders, and where difference is celebrated!*

### ASPIRATION

*We will encourage you all to understand how you learn best, helping you to conquer any personal challenges, to achieve your potential and stretch yourselves. You will be encouraged to take risks and persevere, to develop skills and to understand that you are capable of achieving anything you set your mind to. We will support you to meet and exceed targets and be ready for your next step in education.*

### FAMILY

*Woodhall will be a school that feels like home, with staff that feel like family and where you are not just educated, you are nurtured. All children at Woodhall will be supported to become the best you can be. Like a family, we will support each other through challenging times and take pride in the success and achievements of every single one of you.*
