

THE WOODHALL MARATHON 2022

On Friday 30th September, we are going to hold a sponsored event: The Woodhall Marathon. A marathon is approximately 26 miles...or 209 laps of our running track. This year's London marathon takes place on Sunday 2nd October. Each class will be given 20 minutes for everyone to run/walk as many laps as possible. We will add up the laps to see which House Group has managed a marathon!

We are asking each child to get as many sponsors as they can to help us to raise money for some much-needed new lunchtime equipment. You could sponsor your child for an amount per lap that they complete (e.g. £1) or just a total for taking part. **We have asked children not to ask other children to sponsor them; only adult family members or adult friends of your family.**

We will hold a special awards ceremony in the afternoon, with prizes for the winning House Group (with the most laps), the person in each class who has completed the most laps, and the person in each class who has really tried their best. Everyone who takes part will receive a special certificate.

NAME OF SPONSOR	AMOUNT PER LAP (OR TOTAL AMOUNT)	MONEY COLLECTED

NAME	
I completed _____ laps	

Please return this form to school by Wednesday 27th September. Children will record the number of laps completed and bring the form home again so that they can collect sponsorship money. Thank you!
