

# SPOTLIGHT ON...

## MRS. BIEDUL

<p><b>Why do you love Woodhall Primary School?</b></p> <p>I love the sense of family and the support we provide to our children and each other.</p> <p>I first came to Woodhall as part of my teacher training and was immediately accepted as part of the Woodhall family.</p>	<p><b>Why did you become a teacher?</b></p> <p>Whilst working as a 1-1 learning support teaching assistant I decided I wanted to work with more children to enable them reach their full potential. Working as a class teacher enabled me to provide that support to a larger number of children.</p>	<p><b>What is your favourite children's book and why?</b></p> <p>One of my favourite books is <b>You Choose</b> by Pippa Goodhart and Nick Sharratt because it inspires children's imagination to go anywhere, be anyone and live wherever they choose.</p>
<p><b>What is your proudest moment since becoming a teacher?</b></p> <p>The proudest moment was the end of my first whole year as a teacher when I received many compliments about the support and progress I had given to the children.</p>	<p><b>What do you like most about being a teacher?</b></p> <p>I love meeting new children at the beginning of a school year who think they can't do something and then discover by the end of that school year that they can.</p>	<p><b>If you could have a superpower, what would it be?</b></p> <p>I would love to be able to understand and speak any language so I would always be able to talk to and help everyone.</p>
<p><b>What was your favourite subject when you were at primary school and why?</b></p> <p>As I always found maths and English quite challenging at school I always enjoyed the more practical subjects, especially PE and pottery.</p>	<p><b>What is your favourite song and why?</b></p> <p>Rock on by David Essex because it was the first song/album my brother bought me.</p>	<p><b>What is your favourite pastime and why?</b></p> <p>Most of my pastimes revolve around spending time with my family and include travelling to Ireland, walking and socialising together.</p> <p>But when I have time I enjoy reading a good book and losing myself in the story.</p>
