

SPOTLIGHT ON...

MRS. BILENKYJ

<p>Why do you love Woodhall Primary School?</p> <p>At Woodhall School, we are one big family. Every single member of staff is helpful, kind and FUNNY.</p> <p>Also, the children at Woodhall are amazing! You are all friendly, helpful and hard-working. I know, before I have even arrived, that I am going to have a great day!</p>	<p>Why did you become a teacher?</p> <p>I became a teacher because I wanted to help children learn in a fun and engaging environment.</p>	<p>What is your favourite children's book and why?</p> <p><i>Kensuke's Kingdom</i> by Michael Morpurgo. It is a book I always remember reading when I was a child in Year 6. I love the sense of adventure in the story and the suspense of not knowing if the little boy would ever find his way back to his parents. I can read it over and over again and still get the same excitement each time!</p>
<p>What is your proudest moment since becoming a teacher?</p> <p>When I taught in a Year 4 class as an NQT, I got to introduce a production to our year group. It had never been done before. It involved two groups of 45 children across the year group and they all took on the challenge and did an amazing job. It was a great success!</p>	<p>What do you like most about being a teacher?</p> <p>No day is ever the same. It always feels so rewarding when you finish a day knowing you have helped lots of different children achieve and make progress.</p>	<p>If you could have a superpower, what would it be?</p> <p>I am a very busy person so I would love to have the ability to stop or slow down time. Then I would have more time in the day to get things done.</p>
<p>What was your favourite subject when you were at primary school and why?</p> <p>At primary school, my favourite subject was Maths. I loved problem solving and working out the answer to a difficult questions and learning new concepts... I even asked for extra homework!!</p>	<p>What is your favourite song and why?</p> <p>September by Earth Wind and Fire. It was my first dance at my wedding and always makes me feel happy and want to dance!</p>	<p>What is your favourite pastime and why?</p> <p>Crochet because it helps me to relax... I enjoy making new things especially when I get started on a new and challenging projects because I get to learn new skills!</p>
