

SPOTLIGHT ON...

MRS. WILDE

<p>Why do you love Woodhall Primary School?</p> <p>When I was looking at prospective primary schools for my daughter, I had a good feeling about the school. It was welcoming, friendly and I felt my child would be safe. All the reasons why I still love it.</p>	<p>Why did you become a teacher?</p> <p>From a young age, I liked it when I could support someone to learn something that helped them in their life; it is a great feeling when you can impart knowledge that supports, inspires or facilitates someone to better themselves.</p>	<p>What is your favourite children's book and why?</p> <p>I love books that rhyme, as you can get into a rhythm as you read, so the Hairy Maclary books by Lynley Dodd and Julia Donaldson books like Room on a Broom, I really enjoy.</p>
<p>What is your proudest moment since becoming a teacher?</p> <p>My first day, sitting in my own classroom having set it all up to make it interesting and exciting for the children and reading them a story that they really enjoyed.</p>	<p>What do you like most about being a teacher?</p> <p>I like it when a child has one of those WOW moments; when you see the penny drop and their expression on their face when it dawns on them that they have finally got something they found really challenging.</p>	<p>If you could have a superpower, what would it be?</p> <p>To read people's minds, so I could see where a child might be getting stuck or what direction their thinking is going so when they find it difficult to explain I might have a better idea of how or where to steer them.</p>
<p>What was your favourite subject when you were at primary school and why?</p> <p>I have always been very sporty and active, so I loved PE. I enjoy challenging myself to get better and competing with others to push myself to improve. It is also a great way to de-stress and have fun with friends.</p>	<p>What is your favourite song and why?</p> <p>At school, I really like Harvest Samba because it is upbeat, fun and enjoyable to sing along to and you can see the children enjoying it too. Personally, Lovely Day by Bill Withers as it just makes you feel good when you listen to it.</p>	<p>What is your favourite pastime and why?</p> <p>Tennis is my go to pastime currently, it is great to get outside in the fresh air with friends and do something active. Alternatively, going on a family walk with the dog or playing board games with friends and family.</p>
